

THE CARE CERTIFICATE

- ❖ Every delegate must be internally assessed on the job as per guidelines set out in the care certificate by skills for care.
- ❖ Our trainers will assess the evidence to ensure they are ready for workplace assessment and observation.
- ❖ A good standard of literacy is essential for all delegates to complete this care certificate training course.

The Care Certificate Training Course Summary:

This course will cover all 15 standards of the care certificate – note this includes some home study:
